

Knight Rigging Services

Rigging suppliers

Company profile

Knight Rigging Services (KRS) are Manchester Central's rigging and staging specialists. KRS can provide everything you need for your event and are committed to safe working and operation of all equipment. They operate to the highest UK/EU standards and codes of practice and are heavily involved with the National Rigging Certificate.

Terms and conditions

- Payment can be made by cheque, debit card or credit card
- Cheques should be crossed and made payable to “Knight Rigging Services Limited”
- A 20% surcharge will be applied for late orders
- Work will not commence until all drawings/plans have been submitted and payment received

Please ensure that the following information has been passed to your stand designers or contractors before completing the order form:

- Motor points are sufficient to take a 1000 kg suspended load
- All drops other than catenary drops are sufficient to take a 250 kg load
- Short catenary drops are sufficient to take a 25 kg load
- If you require KRS to suspend lighting trusses, specially designed flown items or any item over 250 kg then you must supply drawings and load information to enable KRS and Manchester Central to complete health and safety documentation
- Stand contractors performing hoist and fix operations must complete risk assessments, method statements and confirmation of compliance with current regulations including lifting operations and lifting equipment regulations and working at height regulations
- This information must be supplied to the organiser **at least three weeks before** the show date to guarantee stand approval
