Informatics for Health 2017: Rising Star Bursary

The Local Organising Committee are delighted to announce that, through generous external partner sponsorship, we are able to provide a limited no. of bursaries for **Early Career Researchers** for Informatics for Health 2017. Successful applicants will receive:

- One complimentary full conference ticket
- One complimentary ticket to the gala dinner
- One complimentary ticket to attend pre-conference tutorials
- Funding towards two nights' accommodation & expenses to the value of £225

Selection Criteria & Eligibility

The bursaries will be awarded competitively by the selection committee based on the following criteria:

1. The applicant must have an abstract accepted for oral presentation at the main conference
2. The applicant must be the lead presenter of the abstract
3. The applicant must be an early career researcher – either 5 years or less in a health informatics related field (if no PhD held) or 5 years or less since PhD (if PhD held). Nb. (PhD students **are not** eligible).
4. The Applicant must be non-clinical – clinically trained persons are not eligible
5. The successful applicants will be present for a group photo opportunity with representatives from the bursary sponsor organisations at the Monday evening conference drinks reception. Nb. sponsor representatives will be informed of the names of all the successful candidates enabled to attend through their sponsorship.

(UK and Non UK citizens **are eligible**)

How to apply

Please email Ruth Norris (ruth.norris@manchester.ac.uk) with:

- Title of your accepted abstract
- A two- page CV
- A short (max 200 words) "case for support" detailing why you should be award a rising star bursary.

Deadline

Deadline for applications is Monday 20th February, at noon.
